

Free-Trade Failures from Canada to Colombia: Stop SPP and the Colombia FTA

2 p.m.
Sunday, March 9
MIT Building 34, Room 101
50 Vassar Street, off Mass. Ave
Free and open to everyone!

Learn about the **Security and Prosperity Partnership of North America**, a "super-NAFTA" package of trade and security initiatives organized behind closed doors between corporate leadership and the Mexican, Canadian, and US governments, and the **Colombia Trade Promotion Agreement (Colombia FTA)**, a "free-trade" deal built on a history of neoliberal repression of workers rights.

Find out how you can stop these undemocratic pro-corporate giveaways, and protect the rights of people, communities, and ecosystems threatened by "free trade."

Speakers include:

- **Carleen Picard** of the Council of Canadians;
- **Hector Sánchez**, policy education coordinator for Global Exchange's Mexico Program;
- **Manuel Pérez Rocha** of the Institute for Policy Studies in Washington,
- Author **Maria Clemencia Ramirez**, of the Colombian Institute of Anthropology and History
- **Luis Fernando Castro** of Colombia Vive

Co-sponsored by the Greater Boston Latin American and Caribbean Coalition, Boston/Cambridge Alliance for Democracy, North Bridge Alliance for Democracy, AFSC Project Voice, MIT Western Hemisphere Project, Colombia Vive, Massachusetts Global Action, Jobs with Justice, Grassroots International and Global Exchange.
